

# Buying music/lyrics from American professionals

Many international artists write music not only for themselves, but also for other performers. Do you want certain artist, poet or composer to write some lyrics or music for you? Are you sure this same professional can make a hit for you? Then we can help you. All these issues will remain confidential and be legally settled by agreement between all parties involved.

## We will help you to:

1. Sell your lyrics, song, or music
2. Find professional composer, producer, and/or lyrics author

## Who may benefit from our services?

Artists

Lyrics authors

Composers
